Richard,

I spoke to Rich Barnett yesterday, and he needs Siemens to resolve some minor issues with the system. Siemens needs to receive payment for these projects, I can not send any Tech to the site, until we receive payment for these projects. These invoices are over 90 days, and if payment is not received shortly, then this will be turned over to our Legal Department, which will result in a Lien against the property.

Please get back to me with the status of this payment, so we can get this resolved, and avoid any issues, and then I can get a tech. to the site.

Thank you.

Jim  
Rich Barnet did not send me an email two weeks ago, it was last week on 12/15. I've attached Richar Kahn's contact information.
