[REDACTED] I see now that was a bad move. I reached out to [REDACTED] on tues about the when was the next day I can plan to cook for you and they were unsure. Its again my fault for not communicating [REDACTED] to someone [REDACTED]

I am however back in full swing of things as of yesterday and can send jerky out today if you'd like. Also not sure about how your diet is going but if there are any requests for this coming week please let me know and I'll get started on them now. Stews, pies, steaks?

Very sorry about not communicating
