**Subject:** Balloon Rides

I have looked into availability in Albuquerque and Sante Fe.  
Abuquerque.  
They both have availability from Sunday morning onwards through the week.

### **Rainbow Ryder**

Balloon Size - takes up to 12 passengers

Meeting time - 5.45am daily, no later flights

Could book entire balloon so that only your party would be on it for a rate of \$1250.00.

If it would be just the girls going and they dont mind other people on the balloon it would be \$159 per person.

The actual ride is 1 hour and 15 minutes but they say the entire thing takes about 3 hours due to champagne and breakfast afterwards (which off course you can skip)

You would see rio grande river, san dea mountain range, old town and greater albuquerque

### **Private Balloon Flights**

Balloon size - takes up to 6 passengers

Meeting time - around 6am

\$159 per person. \$845.00 to hire the full 6 person balloon so you dont have other people on it  
Same thing with the actual ride being an hour but the entire morning taking about 3 hours.

Sante Fe:

#### **Sante Fe Balloons**

Balloon size - maximum 4 passengers

Availability for 4 on Monday and Tuesday morning

Availability for 2 on Sunday morning

\$285.00 per person

Departure 5.45am Sante Fe

1 hour ride, 4 hour total

Takes you up at Les Barrances, The Ravines
