I spent yesterday morning at the Bederson office meeting with Sy Bressler and his staff.

We are still seeking information from some of the older brokerage accounts. Sy would be happy to speak with you, but please take into consideration he has had a series of recent throat surgeries, and is not up for a lengthy conversation. Please call his office-[REDACTED], and they can arrange a time to call.

Gary

Gary:

Where is the summary that I was promised nearly one month ago?

The tax returns were filed many months ago.

Where you are does not seem relevant...Pittsburgh included.

You asked that I deal with you and I have done so.

So far separate from a 25 k check I still have no information and this is not at all fair.

I would appreciate a prompt and accurate answer to all the accounting questions asap.

Thank you again in advance.
