I have written noam about april 15th.. we shall see. I have invited him to our Origins of Deception event OCt 20th, and if he cannot see you on the 15th of april, perhaps you both could meet in october if he comes out.

I am still working through divorce stuff, and threw in another biscuit, which will keep me indentured for awhile longer.. will talk to you about that sometime. BTW, Dawkins and I will be performing at the Sydney Opera House April 16th, so if April 15th falls through and you want to be in another hemisphere, come join us. :)

I want to talk to you about 3 things re Origins.

1. the 140K you agreed to support a postdoc on human cultural evolution, beginning in 2013.
2. Operating funds for an Origins Postdoctoral Fellows program (4 PD fellows in 4 fields, cosmology, astrobiology, evolutionary biology, psychology and neuroscience.. roughly), for 3 years apiece...
3. potentially recruiting John Sutherland for an Origins Professorship.

all best

Lawrence
