[JE Punch List August 10, 2012.docx](#)

Greetings Mr. Epstein,

Attached for your review and changes is the Punch List, updated to August 10, 2012.

The staff was informed that [REDACTED] has returned and Danny is not in the role of Manager next week. I spoke directly to Danny, Carlos, Boscoe, Lester, Brian and Peter, informing them that they will report and follow [REDACTED] instructions next week. They understand that this directive came directly from you.

Respectfully,

Daphne
