Hi [REDACTED]

Warm wishes on your Birthday first!

Yes, it's almost identical process for the extension of O1 as filing the original. However, the extension is more strenuous and harder as we have to now give evidence that the beneficiary (you) was always in status and complied with all the regulations as laid down for O visa. We have to provide the documentary evidence of continuing your occupation as Extra ordinary person, job records, employment, salary etc. We have to figure it out, nothing is impossible !

I am meeting a client at 11 am tomorrow [REDACTED] will be there as well, so if you call around 12 it will be fine [REDACTED] has court after that, but if J is fine talking with me, I will be there all day (almost).

Talk to you soon, enjoy your day!

Best

Arun
