it will never stay changed. al explained to me a while back and i looked into it some more but can explain it to you....regardless i will talk with that guy that brian had once told me about if you like. as long as i you are okay with me explaining the situation to him. if he doesn't know the right person he might be able to direct. i am pretty sure what al was doing was the only way to make any changes at all.....for any amount of time.
let me know.
