Hi Jeffrey.. in OZ busy finishing up some scientific papers this week, and origins stuff as well, before I leave on cruise to see total eclipse Nov 14. I would like to talk to you before I go.. bottom line is to know if you are willing to consider the 1 year support or not.. have to try and put my life together and need to know if there are any options, or whether I just give up. Thanks.  
Lawrence

p.s. going to be in NYC Dec 2-6.. doing lecture at columbia and some Intelligence squared event..
