Do you have one seat more for a flight back?

I have a friend in DC that is planning to go back to NYC.
His plane is grounded in Miami.

His name is David Schwartz. He is an investor/architect. He designed many concert/opera buildings <http://www.dmsas.com/#/portfolio>
He has one of the nicest houses in Miami (ex-Al Capone house).

He is older and into younger guys. One of his young partners had a crash on me so David hated me for several years. What is there to hate?????

But now we are good friends.
He is interesting guy and you should meet him

Up to you this or some other time.

Pls let me know – really not problem either way!!
