I initiated discussions with 1 investor, who I believe is also a good candidate to introduce others for this kind of deal if he can't do it. I believe this is the best first step.

I prepared a check on Friday for \$500 but my assistant has been out so it's possible it hasn't been mailed yet. I will check and see and mail it today if not.

I planned to initiate the discussions regarding the salary increase the first week of September when we reconvene as a Board and have greater visibility into third quarter financials.

Thanks,  
Adam

thank you for update. is their only 1 investor you are speaking with?

what about other two steps we spoke about

a) initial payments you were going to begin

b) increase in your salary from 150,000 to 250,000 with portion going towards repayment of loan

Please advise

Thank you
