Hi JEE..

Great to see you last night! Thanks again for getting us invited..

Below are drafts of two scripts... You might ask a few others what they think of this approach.

Be well!
s.

Script for JEE for reporters:

- My time in jail was sobering and led me to reflect on my life.

- I came out of jail resolved to do things that will leave the world a better place.
- Given my expertise, it only makes sense that I use my knowledge constructively – and that's just what I've decided to do with the Gates Foundation.
- I realize that I cannot erase the past, but hope that at the end of the day my previous behavior will be considered in the context of my current and future actions.
- I am very grateful to the Gates Foundation for giving me this opportunity to make a difference.

Script for Gates for reporters:

- The Gates Foundation is dedicated to making the world a better place.
- To accomplish this mission we need the best possible financial advice we can obtain.
- Jeffrey Epstein has unquestioned financial expertise.
- We realize that Jeffrey has made mistakes in the past.
- But he's paid his debt to society by being incarcerated;
- He is resolved to making up for his past mistakes by contributing to society;
- We are comfortable giving him a chance to redeem himself; everyone deserves a second chance.
