I am very much interested , but that mostly benefits me, not the person whose opinion i am seeking. I ask questions . Consider your opinions like money. you wouldn't give it away for free. you should gather as many as you can, and as men are very willing to talk to you. GET information. You are no longer in high school, where you need to demonstrate your knowledge. just ask questions try it. you'll see. have a nice day,, I am leaving to another island.
