Jeffrey:

Wanted to share with you that last Friday I got a letter of invitation to serve as Senior Fellow at the Center for Business and Government of the HKS. I am thrilled about it and wanted to take this opportunity to let you know how much I appreciate your support on this. Thank you.

I am convinced that taking a sabbatical is for me the right thing at the right time in my life and having the opportunity to spend quality time with high-quality people in a vibrant place such as Cambridge and Harvard will be very important for me and for my family.

Boris is a great friend and has told me very good things about you. I can only hope I will soon have the opportunity to meet you and to thank you in person.

In the meantime thank you again and very best regards,
Marco
