Subject: Bell 430 Paint Scheme Design

Hi [REDACTED],

There are 8 renderings showing different color stripe designs on the Bell 430. We have sent a set of color charts to you by mail. Let me know if there are specific shades you would like me to try and emulate when you receive it.

Your design web site is at [REDACTED]

Also, remember what happened when we painted the B727 black? One trip to the islands and the plane got so hot it ended up back in the paint shop for a new paint job – an expensive endeavor. Perhaps we should give some consideration to the fact that the same thing may happen with the 403....

Best regards,
