Title: My new will

Will you be the executor? Should I have Bryan Bantry as back-up incase anything happens to you...Peg

last night was pure magic. Film shown on a pier nestled under towering lite sky scrapers and stars. Elton sang five songs...and came to private party...and knew who I was when I said hello!
Totally had a special downtown special night and sooo sorry you missed it.

Go see "Sleep no More" just up your alley.
xoxo Peg
