Subject: Please, would you be so kind and use this address. Thanks.

[REDACTED], [REDACTED] whoever, you should not care as there must be lots writing you. But there is only one Jeffrey Epstein. I actually should have chosen a male name to make it funnier. Nothing special, I am working in a law firm. It is only for a year because I have to pass my bar exam, preferably the NY bar.
How are you doing? I hope you are as well as always.
