BUY WATCH LIST

- FileMaker Pro 11 half off with purchase of FileMaker Go for iPad or iPhone Tuesday, January 11, 2011 - 08:47 AM EST
Starting today, those purchasing FileMaker Go for iPad or iPhone may purchase FileMaker Pro for just £99, more than half off the retail value of £219 it was announced by FileMaker today. Since its debut in July 2010, FileMaker Go has become the top-selling business database app for iPhone and iPad. Customers who purchase FileMaker Go for iPhone (£11.99) or FileMaker Go for iPad (£23.99) from the iTunes App Store between 11th January and 17th June 2011 will be able to download FileMaker Pro 11 from the online FileMaker Store for £99 – a 50% discount. Promotion participants must purchase and download FileMaker Pro 11 between 11th January and 23rd June 2011.
