I am in Australia Jeffrey.. So happy to hear you called.. When I hadn't heard back from my email I worried.. Jessica was out for a week on vacation and did not check my voicemail till today. Is there a number I can skype you on? I am in Australia till the 13th, then back in US to give a lecture at Jet Propulsion Lab, then off to Las Vegas for the conference where people will walk out of my talk, then back in Phoenix for 2 days (July 17-19), then off to England to lecture, then back in Australia till end of Aug..

Jeffrey Epstein also left you a voicemail on the 22nd saying he was trying to find you - I hope that he did.
