Here is a sketch of the pricing:

Billed Hours = 2

Hourly Rate = \$3,970

Fuel = \$1,045

FET = does not apply (int'l trip)

Hourly Charges = \$10,030

International Handling Fees = \$3,200

The handling fees are estimates. These charges are directly passed through, once we're billed by the handler.

There is a 1 hour minimum, so a 50 min flight would be deducted 1 hour.

Thank you

I did not see any cost figures.

Did you ever get a better feel on customs fees?

If flight only 50 mins then is that what is deducted from jet pass hours (sorry I have not read docs yet)

Is there rounding up?

Thanks

Hi Brendan!

Here is an itinerary for the trip request you had earlier for G Maxwell(MDPC:TIST:MDPC). Please advise the Team if client intends on moving forward. If so, will you be the go-between or is there a someone we may contact directly?

Thank you!

Nancy
