Subject: midnight express deal

Jeffrey,

I am working another deal for a car in trade for Midnight express,.

Adam Gorden, I think he said his uncle is Morris at the Toy Store,. Nice kid, owns the Fort Lauderdale Collection, an exotic car and Bentley dealer, he said he would trade what ever car you like he has in inventory,.for the boat, or multiple cars,. He spoke to Harris at Midnight today, Adam's plan is to trade-in the Verado 275HP engines we have installed and Harris will install new triple Verado 300HP,. he is ready to deal, and could pay cash for the boat if you can't find a car you like for trade,. he want the boat this weekend, he is motivated I think
here is his web sight,.
