sorry, there was no response from buyer regarding email counter offer of 1.8M as is,.
this was their original offer and last word we have heard from buyer: from the email traffic below, the buyer is Sir
Michael Bromley,. below is their original offer with items they wanted completed,. the broker Chuck and Tom,
agreed,. it was a low ball offer and ridiculous to request the items completed before closing,. I am having
Edwards quote the items anyhow, should have answer tomorrow,.
thx
Larry

Jeffrey,
this is what I received from the broker on the bell 407 deal,. appears they are low bidding still.
should I list the Bell 407 on Controller? if so, what asking price?
thank you,
Larry

Hi Larry,

Pretty much our sentiments as well, based on the offer price and all the mods he was requesting.

Our original offer to Chris was a net US\$1,850,000 firm but as always the buyer wants to negotiate.

We will send them a reply and see what happens.

In the meantime we will continue to work behind the scenes to locate buyer with deeper pockets.

Best regards,
