Subject: LSJ mon Report 1

-both FTC and LSJ internet is down it is a access problem island based or account based TBD
... Jermaine and I working on solutions

-So now on LSJ no internet no phone, **music system unaffected, i am tethering iphone4 for this report**

-crew refocusing on electric systems at MS bed room

-working on new network design plans for REDUNDANCY and internet access, which from my experience is more important than bandwidth alone ---- simplest solution is iphone and laptop will demonstrate to brice and karen to see if we they agree this solution is needed.

-I need to work with Gary again to expand fiber to sarahs new office and see if I can Link network to there by tues afternoon, will try my best but any fiber issues and there will be delays.

-Question ? Is there some itunes downloads you would like me to prepare for your arrival? movie? tv show?

-Will be rechecking all wi-fi and sonos set up sat
