Innovative Business office USVI states the prefix (377) is not in their allocated prefix range (693, 714, 715, 774, 775, 776, 777 & 779). We must use one of the allocated prefix when requesting specific number. The number would have to be purchased in a location that is using 377 prefix as Boise ID, Hal Lulu HI and Fort Collins CO. The area code will be different from 340.

Verizon, AT&T and Broadview also don't have 377 in the exchange for 212 area code.

Thank you,
Bella
