Subject: transformer

Munro has a date of 8/21/2012 for the unit shipping out from their factory in Illinois. So it leaves Illinois on Tuesday, 8/21 for Tropical FL. If it arrives on Tuesday 8/28, it can clear Customs in FL by Thursday 8/30 (any commodity valued at \$2,500 or more has to be declared in FL) and make the sail for Friday, 8/31. That puts it on STT Tuesday 9/4.

Note - this is if all goes well. If they are detailed by even one day, they miss the Friday sail, and then we are looking at sailing 9/5 or 9/7.
