Title: Re: schedule/dvds

Monday is the premiere of "Hugo" that dreadful animated film I made you watch by Marty Scorsese at the Lincoln Center Film Society sneak screening at Avery Fisher Hall with Austin! We hated it.

I am checking other options for Monday. Will also send a list of dvds I have to borrow for Thanksgiving...I think you copy them. I can send to the office Monday or drop off Sunday night at the house. Will send list later.

Thank you for saving my life again. Bryan Bantry's arrogance is just unbelievable. The deal was never for him to hound us all day long and try to micro-manage everyone's every memo. That is how he justifies stealing.

He even makes all the assistants email him a report at the end of every event on my behavior...completely undermining me authority...it's just outrageous.

You can not call him. You have to email him and he will call you back and he never leaves the apartment.

He has always had his own word of mouth screenings for the dregs of New York...that the studio's just lend him a print and he pays for the theater. I actually think Bryan's violation is worse than my brother's stupidity and greed. Bryan believes he is me behind the scenes and steals money for his fantasy. Sickening. I am somewhat calm...xoxo Peg

Originally he was just negotiating deals...now he actually calls my clients every day and make work for himself chatting with studio staff thinking he is keeping the peace. It's just too much.

I am in a car at 8:30pm to Kinderhook, New York...for 24 hours to visit the English author who wrote "A

world on Fire" about the British involvement on BOTH sides during the Civil War....and her banker husband and their 5 kids.

Then Sunday at 2:30pm to mother's grave for an unveiling which I thought was done ONE YEAR after the Feb. death? Only my brother can change the Hebrew law...Finally spoke to lawyer Phillip Michael's who apologized for taking a month to return my call. He sent a letter to my brother and his lawyer 2 months ago and has not gotten a reply. He told me NOT to engage him in any conversation, other than pleasantries at the grave.

Brother is about to give Alpine house away for 2M cash. It's is worth about 2.2 or 2.3....Lawyer says take the cash.

Will call when I am in the car.

Have been more upset about Bryan Bantry...who has just insinuated himself into my life and business under the guise of helping me out. Every job, every rsvp is based on my reputation and relationships...and all he says is everyone hates me and he has saved my life with is ability to run a successful business. He has all these private deals going with every person he hired and is running his own secret company using my name. Throwing up.

Peg
