To: Jeffrey Epstein <[jeevacation@gmail.com](mailto:jeevacation@gmail.com)>

Good day JE,

As per our conversation the black utility box containing the fiber and switch was moved which broke all the connections.

Attached are pictures of the fiber.

I discussed with Danny a workable solution of pulling a run of single mode from 5 Palms to 5 palms Generator Shed and fusing it to the existing run to gym eliminating the need for the switch and black box.

Regards

JRuan
