Jeffrey

I talked to my new accountant and he agrees with you, no business co.

Below is the information from landmark on my current salary, FICA and Medicare were not adjusted for my portion so Rich please adjust to determine net pay to me.

I would appreciate it if you could make my payments to be automatically paid prior to the end of the month.

Thanks

Gary

Hi Gary-

Here is the breakdown of your salary:

Gross wages:	\$262,750
FICA (10.4%*)	11,107
Medicare (2.9%)	7,620
COBRA	<u>18,363</u>
Total	\$299,840

* The Tax Relief Act provides for a 2% reduction in self-employment tax for 2011. Otherwise, this percentage would be 12.4%. It is based on the first \$106,800 of wages.

You also might think about your cell phone, which runs about \$65 to \$100 per month.

Let me know if you have any questions.
