This is only proposal (dated 4/12/2012) I received from Brice however I never received any feedback from him regarding his last visit if quote or scope of work changed
No other budgets were received – Should I press Brice, Craig or both?
Craig does not understand urgency !!
I sent him 3-4 emails yesterday to follow up on and received no responses!

Rich
attached is a proposal for stucco work at the Ranch, i will be reviewing scope of work and sample when at the Ranch
please review and lets discuss friday, as this is a pretty big project
thank you
