Subject: Kitchen wall mount

Jeffrey,
we have a silver articulating bracket in the master Bedroom in the Palm Beach house now,. it's the best looking bracket I have seen, since its visible to the eye at LSJ kitchen,. however, black TV, silver bracket, and White walls may contrast?

Audio Advisors in Palm Beach only stocks black brackets, since most Tv's are black now, instead of silver,.. silver bracket would be special order,.

Option #1, have LSJ paint the black bracket in LSJ kitchen white,.for best match,.

Option #2, take the silver bracket from palm beach house and install in LSJ kitchen,

just an idea,
thx,
larry
