Jeffrey – Thanks for your time today – Dick and I found our conversation tremendously insightful and your thoughts will really help move our internal discussion to the next level. We look forward to continuing this conversation in the near future.

Thanks again,

Gabrielle

Hi Jeffrey – Nice to meet you. I realize its short notice, but any chance you would have time to meet with Dick and I when we are in NY on Friday? Either early morning or late afternoon would work best. If you're not available on short notice, we totally understand. We will also be back in NY in mid-Dec and can look for a time then if Fri doesn't work.  
Thanks,

Gabrielle

Jeffrey meet Gabrielle, Gabrielle meet Jeffrey!

Gabrielle you heard about Jeffrey few times. He is a friend and a financial guru. Also he is notorious for some bad press ;)

Jeffrey – Gabrielle Fitzgerald is a Deputy Director, Global Health Policy & Advocacy at BMGF. She is really a star in her job. She is visiting NYC with Dick (Richard Henriques – CFO of BMGF) this Friday.

As Dick is leading Foundation engagement with various banks, including possible DAF effort, and Gabrielle is leading a working group on it, we were thinking that it would be great if you could meet Dick and Gabrielle.

After all, you are the one who proposed DAF concept to Bill on several occasions as well as worked on it with Jes of JPM.

Dick and Gabrielle are now thinking through this concept as well as meeting with various parties – so your insight would be greatly appreciated!

Hope you guys can find time to meet!

I am leaving for Sydney in few hours so I will not be reachable so please find contact info below.
