Subject: Where and when can I call you?

Title: Where and when can I call you?

I am in my car with the driver and passenger...and have private things to discuss.

Just a note on Bantry...he went to Tailand scuba diving for 3 weeks....I have been super nice to him and he to me. I have been sick about him for months.

Silly things...did he give employees Christmas presents? Never discussed with me. He had Darin send out little xmass presents to some studio people. I never saw a list. Never told what was sent. Got hold of the note I did not send with my name on it along with the entire office. I am crazy that he has just take over the entire company?

My surgery went beautifully. You definitely got your money's worth. I look great!

When can we talk?

I am taking Mattie for a cup of coffee from 7:00pm till 8:00pm in Williamburg...God forbid she commit to a full dinner....she has a birthday party to go to.

I will be alone after...and home. I can also call you early Wed. morning. Packing to go Jet Blue to Palm Beach on 1:45pm ft.
