I learned about the gym. Tomorrow I'll buy a membership at Equinox who goes Svetlana. It will cost \$ 177 a month ... I said that I am a model and they said they could make me a discount and I need to pay only \$ 155. But when you pay once for the half year is a much cheaper.(\$645) once a year - 1290. It's just a wonderful gym! All classes and even swimming pool. I liked it since the moment when I was there with Svetlana.

But still I have an idea. And I know that usually you do not approve of my ideas, but I still share. Jeffrey, I always wanted to know how to dance beautifully. Maybe I can instead of the gym (or alternate every other day with a gym), take dance classes? It's so fun! and not at all boring. Besides the opportunity to learn something new. and it also enabled me to meet new beautiful girls:) I am very interested in the style of jazz dance and modern theater. Would you like to see me dancing like her? --- <http://www.youtube.com/watch?v=mWjRRsuzDu8&feature=related> ---- LOOOOVVVEEE IT!!!

Or like they - <http://www.youtube.com/watch?v=eBht5wbQzyw> ----- AMAZING!!!!

I hope you will support me.

By the way, yesterday I met a girl ...

And tomorrow I'm going to the dentist for teeth cleaning. This is so cool! Thank you =)

Kissss....

Give me please e-mail Sue, and # Svetlana. Sue in NY right now or with you?
