

Jeffery,

I spoke to Eva today for a while. I apologized again. She mentioned that [REDACTED] doesn't really have the interest in acting anymore and that she made the decision not to go back, or to pursue it at all. Her interests are with sports and her studies. If she changes her mind, Eva knows I will always read her for anything I do. I additionally let her know I'd help in anyway should she want to go back to acting.

I did also ask her to tell [REDACTED] that Susan the casting director in New York should have been properly courteous, supportive and nice. I wont be using her for things like this in the future.

Best,  
Barry J
