It's coming along nicely. The 2 kitchens look great, laundry is more organized. Rich is painting the equipment and flooring in subbasement today.

I've been trying to sort through all of the boxes of Doug's papers and plans, etc. There is a ton of stuff; he kept everything. trying to sort out what should be kept and tossing obsolete things.

Ion is working on samples for my office walls; we chose a nice green and an orange.. will send photos when he's done with samples.
