not bad,, but does not tie together , the language needs a great deal of work, , also filled with platitudes that i told you cannot be part of it. broaden perscpetives etc, intinerntiaonl realtions etc. I will try to find some time in the next few days

2011/9/30 Mary Prusakova <[REDACTED]>

This morning I included the things we discussed.
I talk about vizualisation and funny moments: United Nations and debating in different languages. I say that i dreamt about living in a foreign country and my dream had realized : i won a scholarship from Rotary to study abroad... I wrote how tough it was to study law in french school, earning money myself..

I send you 2 new versions: one of them includes the paragraphe explaining why I want to study at HLS and the other one does not because I am not allowed to have more than 2 pages..

BUT It is still disorganized - I do not how to make this abundant information flow correctly... I would love you to help me with organizing all the ideas you find inside and the English language sound as beautiful as it sounds in the first paragraphe Jeffrey
