Jeffrey, it doesn't have to be that way. Come out and visit, you will be with be with someone that still very fond of the Jeffrey I first met lo so many years ago. In addition, you only know who your friends are when the shit hits the fan, invariably, it always does for each of us in different ways. I don't mean to pontificate, its just that I have always been in the Jeff Epstein corner regardless of circumstance. Loyalty is a trait that seems to have fallen by the way side in this sophisticated, politically correct, society we live in. I say, let them live in Brooklyn for a while to understand what I am referring to. I'll put a couple of dogs on the grill for you.
