Dear jeffry

Thsnk you

I found an air vkadivostok flight in 4 hours but the airplsne is tupolove 204

But I am not going to take it because they don't have a good safety record

I decided to go to see our port in hong kong I just called my girlfriend she will fly from moscow to see me do its not bad I didn't go to vkadivostok

I made contact with Blue Star in California, there is a USA GIV in Korea at this time and able to fly the trip, it will take 48 hours to get landing permission and crew visa's in place, please advise if Thursday or Friday is to late for this trip to depart?

Paris charter person is on vacation.
