Title: Fw: Lunch today

Jeffrey: see response I got from Dasha about lunch. They have family on the boat. You can email Roman and maybe go alone...

she invited Tamara and me to dinner. Assume you leave before dark...or you can come. It's going to be fun. Tamara is still sleeping...but I will call her later. Do you want me to ask Sam and Aby? Do you know Steve Cohen? I do not. We can eat here and walk to Larry's and Aby's. Aby is always on the beach or at his pool. I can come to town...slightly terrified to drive, but will. Beach is beautiful.

Have to discuss Harvey Weinstein...my work for him on "The King's Speech"...which has been very helpful and intense. He has the best film. He did not spend any money on his campaign saying to me, "If I do nothing, I win the Oscar this year.". Well Scott Rudin had Sony spend 70 million on their campaign for "The Social Network" and they are probably going to win Best Picture. It's an unbelievable story I will tell you at lunch. Point is, Harvey pays nothing and expects total devotion....and he has it from me...even asking me to organize a screening of TKS on Ron Perelman's boat for all vips here.

My business manager Bryan Bantry has accepted a job for me for a lunch on Jan. 11th at the Four Seasons for the entire cast of "The Social Network" for \$20,000 that he says we need. We have been doing very well this year and much better than last year...will get figures...we have four jobs when I get back... on Jan.9 dinner for Annette Benning, Jan. 10 lunch for Colin Firth, Jan. 11 lunch for "The Social Network" and Jan. 12 lunch for Ben Affleck and "The Town".

Harvey with scream if he finds out I took a job for TSN. He will fire me. He will feel betrayed and go nuts.

Bryan Bantry has no such allegiance. HW owes us money. He constantly tries to reduce our fees. Bryan charges every other studios more...HW is always saying Andrew Saffir gets underwriting and it doesn't cost him a cent...but Andrew gets numb models and doesn't know or want to know the academy members who HW needs desperately now. I also successfully kept Andrew off TKS. HW was loyal and did not let him do a screening...of course I then did an amazing downtown screening.

Every time I try to talk Bryan out of the job for Sony, Scott Rudin and TSN, he says stay out of it. It's about money. He is running a business. HW does not need to know. Bryan will have to deal with HW on Jan 4 before he invites me out.

I feel like a heel. I love "The King's Speech"...my good friend Tom Hopper directed it...and Bryan keeps telling me to do nothing, say nothing, feel nothing. Your advice plz. Can discuss at lunch if not too boring. I know this is going to blow up in my face. I am on every daily one hour strategy call with 10 people on "The King's Speech"....and know every move of HW's campaign against "The Social Network". Help!
xoxo Peg

Dasha/Roman and Tamara:
Jeffrey Epstein is arriving by chopper today after 1:00pm from his island.

We were thinking of having friends to the Taiwana (where I am staying) for lunch at 2:00pm. Want to come?
We both would love to see you. Can just be us, or can invite more. Sam and Aby are down the beach.
xoxo Peggy
