- a) Nick Lambros – I called him once on Friday, Saturday and Sunday asking him to talk so we can work this out and have no response. I forwarded all paperwork to Darren for his letter. Should I continue to call?
- b) Rock Crusher – Brice claims that you instructed him to clean up the island and get rid of old stuff. He said that they would have had to pay to get rock crusher off the island but Manuel the mechanic offered them \$ 1,000 for it and they have not done a bill of sale as of yet. As far as the generators they have not sold them as of yet but are fielding offers right now.
- c) I will review Rich B proposals and get Merwin input on Marble Cleaner
- d) Flight Options
