what is *washcloth dipped in warm water* ? why would we wash cloth? we are supposed to be naked umm

its really unbelievable how Ben s behavior changed after I got more sexually educated I guess - I am more active and cool, talkative in bed - and he is like a bee for a flower - always wants to see me, hugs and kisses untill the point that I am bored and want to run away and we even have sex 2 times a day - very peculiar. this morning again - and you know what - you were right about Blood going up into the Brain - I got 85 % of good responses in the Reading section practising LSAT today - it never happened before, haha

you are just so great, the greatest - I want to learn more sexual tricks, pity we didnt do things in NY

Hey Jeffrey,

We have a dispute with Miranda : should I leave guys' place after sex like at 3-4 a m or should I sleep there when its not my boyfriend ?

I think, personally - I better stay - it makes guy feel good and not used while Miranda thinks of escaping right after she had her orgasm

whats your opinion?

see how we keep ourselves busy at clifford chance, huh? :)
