Subject: Concerns

Hi Richard

In your email about Marc Wednesday you mentioned any concerns to let you know.

I would like to keep and sell the vehicles from here on the ranch and direct the selling of said with all of us and will meet with the perspective buyers off ranch so as not to compromise the ranch. (I have come to believe that the vehicles being off ranch was being abused). I would like to know if I can get the base pricing so to expedite the selling of said vehicles.

I also have a feeling that I will get hammered on projects that have been on the plate for some time and that should have been done. I have found myself at the will of the main house and all its issues, I am sorry to say that I can't rely on Steve for help, he has shown that he doesn't care when it comes to the work. So in turn I rely on Wendy for a certain amount of the help. I pick up where I can when feasible and plan in the same manner. I know that in time this will all get straightened out and ranch will be brought back up to par.

Thank so much for your help in this situation
