I know I'm so sorry I was all day in school from 10 to 6:30 pm , I'm not allowed use phone during classes , I had one hour of break and texted you to call me if could , but when you called my classes already started and also I turned off a silent) how was your day? When are you coming back to get my present for you ? :)

you explained to me yesterday that you never really got a chance because of no papers. that made sense to me,, and i want you to have what you want. i did not fully realize that this period should not count . as it is unfair to you.
