

HI = JEE...

I believe in ESP; I don't care what the = studies show...
You've been on my mind a lot lately, = especially these last
few days when I've been in Paris. (I'm = getting an honorary
doctorate from the Sorbonne, = tomorrow.)

When I'm in California, which is = usually these days, I've settled
into a routine where we = (Robin and I) go to an apartment we've
rented in SF Friday = afternoon, back to SU late Sunday night = or
early Monday morning. I'm generally hanging out = in the mornings
on the weekend, so no reason we can't call (or = Skype, if you
prefer). My cell phone is now = 650-804-7033.

I have no idea whether I've made = a big mistake in taking this
job. You would love it, but I'm = less interested in talking to
smart people. So far, two deans = from HU have visited me and
told me that they want me back, = and one of the members of
the Board of Overseers told me that = Drew had told him to tell
me that I would be welcome back any = time. This is all very
flattering. I do feel "appreciated" by = Stanford, but its just not in
the same league as HU, I regret = to report. Maybe the weather?
Not sure. In any case, I'm just = now putting in to have a program
in the new branch campus in = NYC, assuming that Bloomberg
does the rational thing and = selects SU. If all goes well, I'll
spend a week a month in = NYC.

Enough rambling. How you? On a five = point scale, where 1
is miserable and 5 is ecstatic, where = would you place
yourself?

Thanks for = the note. I miss talking to you, too.. I'm back = on
Friday. Let's chat over the weekend (no early than = 12:30
your time, please...).

I hope = all's = well!!

s.
