Just spoke with Igor and asked him about traveling when you wanted to see him. He said that per his conversation with you he would stay in FL and there would not be any travel. He said he was struggling with salary cut and was working to build a clientele to supplement his lost income. I pointed out to him that he was living for free in your house and had the use of your car too. He said he only uses your bicycle and not the car. He said he would be happy to travel with you all the time however he would like an additional \$20,000 added back to his salary. He was at \$108,000 and we cut him 50% to \$54,000.

Please advise.
