Hi Brice,

Pool tile is about 10 business days from California if we place the order this week. They are down to 2700 sq ft and they are trying to locate another 300 sq for you. If you can make this happen I would do it only because they don't stock a lot of this. On the other items below I need brand names so I can get something comparable.

Please let me know ASAP

Thanks

Jack

Subject: Pool Material list

Jack can you give a lead time on this material plse, also quote

- 3,000 sq. ft. of tile

- 90 bags of 918 thin set
- 5 gallons of blue pigment
- 10 gallons of bonder
- 5 bags of lime
- 12 bags of common cement
