Subject: LSJ_BARGE_PROJECT_090112

Good evening

Boscoe was planning to have Guy Vicars assist him with the Barge "in house" repair work, Guy starts a new position on Tues hence is unavailable. Boscoe is requesting if Sheridan can assist him. As mentioned before, the plan was to out source this labor, but given the extra labor costs that have already been added to this project this would save money. As of date Boscoe would require Sheridan on Tues, based on the forcasted budget "in house" labor is between 40 to 80 hours

Please advise if you approve this, or would you prefer for Boscoe to out source this labor, Boscoe mentioned that this does not include the top side paint job

Please advise

Thank you

Warmest regards
