Dear Jeffrey,
By now you must be deep into your trip to China- hope you are enjoying it. Russ and I went to China and Japan on one trip and it was way too intense for me!
Thank you again for coming to the Tribeca Ball and so generously supporting the school. It was incredibly wonderful of you to come back, tour the studios, and purchase work from the students. They are all thrilled and in many cases this helps launch their careers and builds important confidence that they are going in the right direction. Just wanted you to know how much Russ and I and the whole school appreciates your involvement. All the Best, Eileen
