5 Palms Mirror Inventory

3 extra mirrors shipped

one of the 3 was scratched

5 mirrors need to be replaced due to bleeding through of glue (all on bottom row, 5 bad out of 8). The 5h mirror started to bleed this morning.

2 mirrors on 2nd row have a small defect and should be replaced, not sure how the defect got there.

Need 5 new panels. Maybe one spare.

Do you want Sarah to order or we can call direct.

Still no glue, company won't ship to STT, only to states. We just got off phone with them. Trying to resolve. Will update later.
