Sorry for a late reply. Went out last night and just woke up (4pm ;)

Ellis and Joanna sent me emails that they can see your island and that they are snorkeling around.

I told them to call you or email you.

Glad that it worked.

Let me know how you like them.

I really like her – she is a Chief of staff for Jeffrey Sachs. But much smarter for that role.

Great! Thanks a lot. Just tell us where and when to meet transport. After seeing the houses from the water, everyone is very excited to see them up close.

See you Wednesday.

It's kind of you to offer lunch. That seems like fun.

Would you be interested in meeting our 27-year-old Swedish daughter and her boyfriend or would you prefer just us?

Also, how would we get to you? Is our best bet to get the concierge here to organize a boat that would get us to you and back? Or should we go to the place where boats go to St. Johns and find someone there?
